SIR,

I have the honor to forward herewith copy of letter No. 125 dated 15th June last, from the Deputy Commissioner, Kolar, recommending that Inspector Ballard may be exempted from the payment of r for the Government building which he now occupi

2. The building was originally constructed for the accommodation of the Inspector, Gold Fields, at a cost of about Rs. 2,500, as quarters were not procura It is a tiled house of stone in chunam, consisting of 2 big rooms and 2 small ones with an out-house a kitchen and a stable. It was first occupied by Inspector Salar Khan and afterwards by Inspector Ballard who is living in it for the past one year an 11 months. Neither of them has paid any rent for the building.

3. The proposal made by the Deputy Commissi

s a reasonable one, particularly as Mrs. Ballard undertakes to carry out the periodical petty repairs t his own cost. Living at the Gold Fields is very ~~ttly~~

Under these circumstances, I beg that the Government will be pleased to sanction the continued occupation of the house free of rent by Mrs. Ballard.

I have the honor to be

Your most obedient Servant.

Sir,

I have the honor to state that Inspector Ballard has been occupying a Government building in the Gold Fields rent free. In para 2 of his docket No: 262 of the 25th April last (extract enclosed) the Executive Engineer suggests that Government sanction be obtained for the free occupation.

Mr. Ballard has been carrying out periodical petty repairs to his quarters free of cost to Government. Living in the
Fields

Fieldo is so costly that it would be hard lines to tax him with house rent also. In this matter, the officers and men have to be treated alike and as the latter are allowed free quarters, Mr Ballard is, I submit, entitled to the same Concession.

I have therefore the honor to request that the Government may, if necessary, be moved to exempt Mr Ballard from payment of house rent.

I have the honor to be
Sir
your most obedient Servant

GOVERNMENT OF MYSORE

I kept no cost of petty repairs as it simply consisted of white-washing and repairs to the mats, but that the additio to the each verandah and the bath room cost me Rs 85/- which addition was necessary for privacy and whic I ask may be refunded me and that it would have cost more, were it not for the courtesy of the mining officia who supplied me with part labor.

The repairs now to be executed are concrete to the verandah, new mats. replacing bolts &c and thorough whi washing.
